

## SERVING THE COMMUNITY !

Friends and neighbors, we volunteer our time to protect your lives and property. While we hope you won't need our services, please know that we'll maximize on the experience and training we have within our ranks to assist you.

- Power out, sump not working, water rising near utilities, call 9-1-1 and we'll come to help
- Carbon monoxide detector rings, call 9-1-1, evacuate the house and we'll right there
- Smoke alarm starts ringing, call 9-1-1, evacuate the house, close the door and we'll be right there
- If you have a medical situation, call 9-1-1 and our NY State certified medical personnel working with local ambulance staff will tend to you

## WHAT's NEW at HHFD in 2006?

We, the officers and members of the Howlett Hill Fire Department (HHFD), bring you this message of good wishes and safety to you and your family. As this "interesting winter season" gradually winds down, we bring you this update of what's starting up at HHFD.

Here is a special notice that "The King's Feast" returns again this year. Mark your calendars for Saturday, September 16th. The feast is our MAJOR Fund Raising event of the year. It's so important to us that we have three co-chairman working on it. Everyone who attended last year's Feast begged us to conduct the Feast again this year, and we're very happy to comply!

In addition to the Feast, remember, we have our \$10,000 Raffle again this year! We limit the number of \$100 tickets sold to just 300 tickets.

This increases your odds of winning our first prize of \$10,000 should all 300 tickets get sold. We also have a bonus for early payment of your ticket. You'll be included in the "early bird Special" drawings where you can win some extra cash.

**Come enjoy great food and wheel games at the King's Feast !**

## King's Feast (continued)

**See the King's Feast flyer for our menu. Mark your calendar for Sept. 16th**

See the King's Feast Flyer included in this mailing for more details about the King's Feast food menu and wheel games and the \$10,000 Raffle !

## HHFD pursues Grant

To offset our expenses we seek grant money whenever it's available. Two years ago we were awarded grant money from the Dept. of homeland Security to replace our aged breathing apparatus. This year we're preparing a grant with the Dept. of Homeland Security to replace some of our member's personal protective equipment (PPE). Our PPE is another critical piece of equipment like our breathing apparatus. To date, we have been replacing worn-out PPE as we have available funds.

**Howlett Hill fire fighters enter burning building on North St. in Marcellus—>**

## Volunteer at HHFD !

We're just about wrapped up revising our By-Laws, and when approved we should be able to offer three new types of members:

- Administrative members who handle office-related work, get involved in fund raising and grant opportunities. Administrative members do not respond to fire or medical alarms.
- EMS-only members respond to all alarms, and are particularly suited to those alarms where medical skills are required
- Duty members serve schedule themselves to a block of time each week at the fire station. They respond to all alarms during that time-frame, thus improving our alarm response time.

**Think about Joining Us !  
Stop by the Fire Station any Monday Evening.**
